About This Game

Cybrus is a survival gauntlet in which you face off against an ever-changing dungeon enhanced by magic and technology, build rivalries and crush your enemies. All this for the chance at a life-changing payout, will you survive?

Gameplay

Cybrus is a challenging retro-futuristic shooter with a unique style and fresh gameplay, in a land where magic meets technology both must be mastered to survive. Find powerful items both arcane and technological to defeat the dungeon.

Achievements
